

Hi - Tech
ENGINEERS

Committed to superior Quality and Results.

ABOUT US

- Hi-Tech Group is one of the most experienced and respected company in Fuel Out, Civil Construction and Road Projects work.
- Hi-Tech Group is a young & growing organization founded by set of qualified & dedicated group of engineers who are committed, client focused, result oriented and believe in delivering the projects in line with client requirements and project objectives.
- Hi-Tech Group truly sets us apart is our people. Their dedication to providing world-class service to our clients, resolve for delivering exceptional work, capacity for innovation and problem solving, and unwavering commitment to improving the communities we serve, make Hi-Tech Engineers what it is today.
- Safety and Quality have our highest priority in project delivery as well as in our operations.
- We believe in.....
 - Growing in collaboration
 - Committed Project delivery on time
 - To ensure client satisfaction
 - Long term association.

VISION & MISSION

VISION:

To be Global leader in engineering, construction, and project management organization by achieving extraordinary results for our customers, building satisfying careers for our people, and earning a fair return on the value we deliver.

MISSION:

To deliver high-quality, cost-effective projects on schedule by employing and supporting motivated, flexible, and focused teams. We value the importance of our relationships and will continue to remain fair and true in our dealings with all employees, clients, vendors, and partners. Our clients count on our dependability, our drive, and our integrity. We take great pride in our accomplishments and build on them every day.

VALUES:

Ethics. We are uncompromising in our integrity, honesty, and fairness.

Quality. We are passionate about excellence and doing our work right the first time. Our reputation depends on our delivered value in the eyes of every customer and community.

People. We inspire each other with important work full of purpose, challenging development opportunities, and rewarding careers. We aspire to be the employer of choice in our industry.

Relationships. We build positive, long-term relationships with our customers, joint-venture partners, subcontractors, suppliers, and colleagues that are built on trust, respect, and collaboration.

Innovation. We develop and apply world-class technology. We listen, learn, and seek out the best ideas. We attack complacency and continually improve.

Sustainability. We improve the quality of life in communities where we work by respecting local cultures, engaging local people, and protecting the environment.

ZERO TOLERANCE ON SAFETY

Safety & Health. We are relentless in keeping people safe from harm, and we provide a healthy work environment.
